John H.K. Vogel, M.D., M.A.C.C.

Program Overview

Hone your skills and enhance patient care with a comprehensive cardiovascular update!

Join your colleagues in Snowmass for a five-day, in-depth review and update on the latest clinically relevant developments in cardiovascular disease. Boost your professional competence by attending this dynamic conference that will explore a wide range of topics including stable and acute coronary syndromes, rhythm disorders, structural heart disease, congestive heart failure, primary and secondary prevention plus much more. Take advantage of this unique opportunity to interact with highly experienced faculty who focus on optimizing patient outcomes. If you're a clinician interested in improving the quality of patient care, this program is for you!

Target Audience

This program is intended for cardiovascular specialists. Primary care physicians, Fellows in Training, advanced practice nurses, nurses in cardiology and other medical professionals interested in general cardiology management will find this program of value.

Accreditation

Physicians

This program has been approved for *AMA PRA Category 1 Credits*[™].

Nurses

The American College of Cardiology Foundation is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

This program offers education in the General Cardiology: Hypertension, Lipids and Prevention Learning Pathway.

Space is limited. Register today and secure your space at www.acc.org/cvconfsnowmass
